

# CHRIS BRASHEAR & BEN DEMERATH

*"With a voice both plaintive and lyrical, and with a keen ear for language, Chris Brashear continues to be one of the finest writers and exponents of the sentimental song."*

*~ Bluegrass Unlimited*

**Chris Brashear and Ben Demerath** are a combination of experience and raw talent that makes them one of the most formidable vocal duets on the scene today. **Chris Brashear** is an exceptional fiddle, mandolin and guitar player, a charismatic singer with a high clear voice, and a songwriter who portrays contemporary life with old time flavor. Chris's 2012 release, ***Heart of The Country***, was produced by legendary producer Jim Rooney. From his gritty, inspired songwriting to his impressive guitar playing and powerful vocal register, **Ben Demerath** is a pure talent in every sense. His critically acclaimed debut album, ***Jack of Fools***, garnered recognition and respect from some of the finest acoustic performers in the world. He has been covered by such high profile publications as Dirty Linen, The Boston Herald and Music Row which called the album "a keeper... a simply terrific contemporary-folk performance."

*"Demerath's a great singer who writes good songs and delivers them well." ~ Tim O'Brien*

*"Not only can Demerath sing, like angels inspired, he's a great song writer." ~ Bluegrass Unlimited*
